

PET OWNERS

Please remember to pick up and clean after your dog, on your property and when out walking, in order to prevent unwelcomed living conditions.

Dirty yards (fecal matter present for more than 12 hours), dogs running at large, and barking dogs are city ordinances and owners will be cited.

DOG LEASH LAW

All animals, other than sterilized cats, using any street, public place or private property of anyone other than the owner of the animal shall be on a leash not exceeding six (6) feet in length including the handgrip but excluding the collar and accompanied by a person able to fully control the animal at all times.

Keep all dogs leashed when in public and properly secured on your property to prevent any unfortunate animal incidents and/or fines.
