Grace Community Christian Center: Rebuilding for the future

Dear Grace Family,

The New Planning and Building Committee have begun the process to make the long held vision for a new community center to become a reality. This project will take the conviction, commitment, and contributions from each and every one of us to claim this victory. Let us look forward to the future when Grace can continue and expand the work God has intended for us to do for the church, and our community.

PHASE 1: TRANSITION

Timeline: In process

The Grace After School Program will begin operating in the Educational Building on March 4, 2019.

All remaining programs currently operating in the GCCC will be moved to the church as determined by the Transition Committee (dates to be announced). They are working diligently to devise a plan to clear the building of all items and to ensure that all safety and regulatory requirements are addressed to safeguard a smooth transition.

PHASE 2: DEMOLITION

Timeline: February 2019 – May 2019

This phase involves a number of steps including, the selection of the contractor, meetings with church and community, and the acquisition of all necessary permits and inspections.
