

## The Drama Ministry

The Drama Ministry of Grace Baptist Church of Germantown is a part of the Liturgical Arts Ministries of our church. Its purpose is to present the art of drama as a Christian ministry and to bring good quality wholesome entertainment to our congregation and community. Our repertoire includes drama, comedy, musicals, Biblical sketches, and skits, as well as audience participation mysteries and dinner theater offerings.

Our past productions are diverse and have ranged from “Purlie” to “Solomon” to “Black Nativity”; from “Home is Where the Heart Is,” an original drama written by the late Mrs. Jessie Birtha, to “The Old Faith Hope and Charity” by Pat Cook to “A Time to Heal” by Burton Bumgarner.

The ministry continues to grow, and to offer new and diverse experiences for its intergenerational members, including acting, set construction, dramaturgy, prop/costume management, and stage management.

The Drama Ministry has fun preparing for productions and is open to anyone who wants to experience the joy of Christians working together to produce a product that glorifies God and edifies His people.

*We praise God in the midst our playing.*
