The Praise Dance Ministry is an intergenerational group, which rejoices through dance movement in the name of Jesus Christ. In addition to introducing and interpreting the Word through strategic choreography during worship services, the group opens rehearsals with devotion and prayer for personal spiritual application of musical lyrics and themes. The group adds to worship services with appropriate theme dances as well as reaches out to communities outside of Grace Baptist Church.

Objectives:

- To learn and teach the Word through gospel music, weekly devotions, and dance interpretations.
- To develop an artistic and technical appreciation for dance as a manner of worship.
- To encourage and develop leadership skills (confidence, organizational skills, and discipline) through intergenerational collaboration.
