The Pastor's Aide society is a group of dedicated workers who take care of and support the special needs concerning our pastor and his family.

If you are looking to do something special for the Pastor and the first family, contact the Pastor's Aide Ministry to coordinate your wishes.

The Pastor's Aide welcomes new members to this inspirational and caring ministry.

We always thank God for all of you and continually mention you in our prayers. We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ.
