The Women's Guild Ministry helps new members find the organization(s) best suited to their interests and talents, and provides fellowship for the women of the church.

The Guild gives special 'Cheer Gifts' at Christmas to all over 80 and older members who are sick and shut-in, and 'Love Gifts' to a community nursing home.

In 2012, The Women's Guild spearheaded an annual Octogenarian-Nonagenarian luncheon to recognize and honor the elders of the congregation. The Guild looks forward to holding the luncheon in 2023.
